FOR THE WESTERN DISTRICT OF TEXAS  
(MIDLAND DIVISION)**

**IN RE:**

**ARABELLA PETROLEUM COMPANY,  
LLC, et al.,**

**Debtor.**

**Chapter 11**

**Case No. 15-70089-rbk**

**GLOBAL NOTES AND STATEMENT OF  
LIMITATIONS, METHODOLOGY, AND DISCLAIMER  
REGARDING THE DEBTOR'S SCHEDULES OF ASSETS  
AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

Arabella Petroleum Company, LLC, as debtor and debtor in possession (the “**Debtor**”), filed its Schedules of Assets and Liabilities (the “**Schedules**”) and Statement of Financial Affairs (the “**SOFA**”, and collectively with the “**Schedules**,” the “**Schedules and SOFA**”) in the United States Bankruptcy Court for the Western District of Texas (the “**Bankruptcy Court**”). The Debtor, with the assistance of its advisors, prepared the Schedules and SOFA in accordance with section 521 of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

Jason Hoisager of the Debtor has signed the Schedules and SOFA. In reviewing and signing the Schedules and SOFA, Mr. Hoisager has necessarily relied upon the efforts, statements, and representations of various personnel of the Debtor. Mr. Hoisager has not personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors and/or amounts owed to the Debtor from working interest owners or other parties.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Schedules and SOFA (the “**Global Notes**”) pertain to, are incorporated by reference in, and comprise an integral part of all of the Schedules and SOFA. The Global Notes should be referred to and reviewed in connection with any review of the Schedules and SOFA.<sup>1</sup> In the event that the Schedules and SOFA differ from any of the foregoing Global Notes, the Global Notes shall control.

---

<sup>1</sup> These Global Notes are in addition to the specific notes contained in each Debtor’s Schedules and SOFA. The fact that the Debtor has prepared a “Specific Note” with respect only to specific Schedules and SOFA should not be interpreted as a decision by the Debtor to exclude the applicability of such Specific Note (or any Global Note) to any of the Debtor’s remaining Schedules and SOFA, as appropriate.

The Schedules and SOFA do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled to the Debtor’s financial statements (whether publicly filed or otherwise). The Schedules and SOFA contain unaudited information that is subject to further review and potential adjustment. In preparing the Schedules and SOFA, the Debtor relied on financial data derived from its books and records that was available at the time of such preparation. The Debtor has made reasonable and good faith efforts to ensure the accuracy and completeness of such financial information, but further research or discovery may identify subsequent information that may necessitate material amendments to the Schedules and SOFA. As a result, the Debtor is unable to warrant or represent that the Schedules and SOFA are without errors, omissions, or inaccuracies. The Debtor reserves all rights to amend and/or supplement the Schedules and SOFA as is necessary and appropriate, at any time.

Nothing contained in the Schedules and SOFA shall constitute a waiver of any of the Debtor’s rights or an admission with respect to this chapter 11 case or any of the parties in interest thereto, including, without limitation, any issues involving equitable subordination, the nature of any debt, receivable or payable, the terms, enforceability or executory nature of any contract or lease, offsets or defenses, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant applicable laws to recover assets or avoid transfers.

1. **Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- a) **Payables.** The Debtor has made every reasonable attempt to list all payables on its liabilities schedules.
- b) **Amendments and Supplements.** While the Debtor made reasonable and good faith efforts to file complete and accurate Schedules and SOFA, inadvertent errors or omissions may exist. The Debtor reserves all rights to amend or supplement the Schedules and SOFA as is necessary and appropriate.
- c) **Claims Description.** Any failure to designate a claim on the Schedules and SOFA as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtor that such amount is not “disputed,” “contingent,” or “unliquidated.” The Debtor reserves all rights to dispute any claim, whether reflected on its Schedules and SOFA or asserted pursuant to a filed proof of claim, on any grounds, including, without limitation, amount, liability or classification, or to otherwise subsequently designate such claims as “disputed,” “contingent,” or “unliquidated.”
- d) **Classifications.** Listing a claim or contract (1) on Schedule E as “priority,” (2) on Schedule F as “unsecured,” or (3) on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtor of the legal rights of the claimant

or contract counterparty, or a waiver of the Debtor's right to recharacterize or reclassify such claim or contract.

- e) Causes of Action. Despite reasonable and good faith efforts, the Debtor may not have identified and/or set forth all of its causes of action (filed or potential) against third parties as assets in its Schedules and SOFA. The Debtor reserves all rights with respect to any causes of action and nothing in (or omitted from) the Global Notes or the Schedules and SOFA shall be deemed a waiver of any such causes of action. Similarly, in instances where the Debtor is a defendant in pending causes of action, nothing in the Global Notes or the Schedules and SOFA shall be deemed as an admission or determination with respect to, or a waiver of any defense or objection to, such causes of action, and all of the Debtor's defenses, objection and other rights with respect to such causes of action are hereby preserved.
- f) Confidential, Private, and Commercially Sensitive Information. In certain instances, the Debtor may have intentionally altered, revised, redacted or consolidated certain information in the Schedules and SOFA due to the nature of an agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information or concerns for the privacy of an individual. In addition, in certain instances, the sensitivity of such information may require its omission from the Schedules and SOFA. To the extent possible, the alterations, redactions, consolidations and omissions, if any, have been limited to the extent determined by the Debtor to be necessary or appropriate to protect the Debtor or third parties while also providing interested parties with sufficient information in response to the Schedules and SOFA.
- g) Estimates and Assumptions. In preparing the Schedules and SOFA, the Debtor was required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure and potential values of contingent assets and liabilities on the date of the Schedules and SOFA and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, perhaps materially.
- h) Executory Contracts and Unexpired Leases. The Debtor has not necessarily set forth executory contracts and unexpired leases as assets in the Schedules and SOFA, even though these contracts may have some value to the Debtor's estates. The Debtor's executory contracts and unexpired leases have been set forth in Schedule G. The Debtor's rejection of executory contracts and unexpired leases will result in the assertion of rejection damages claims; as no such contracts and leases had been rejected by the Court order on the Petition Date, and no rejection damages claims had been filed as of such date, the Schedules and SOFA do not reflect any claims for rejection damages claims. The Debtor reserves the right to make any arguments and objections with respect to the assertion of any such claims.

- i) Foreign Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars, and translated from other currencies as of the Petition Date where applicable.
- j) GAAP. Given the difference between the information requested in the Schedules and SOFA, and the financial information utilized under GAAP, the aggregate asset values and claim amounts set forth in the Schedules and SOFA do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.
- k) Insiders. Persons listed as “insiders” have been included for informational purposes only. The Debtor does not take any position with respect to: (a) such person’s influence over the control of the Debtor; (b) the management responsibilities or functions of such individual or entity; (c) the decision-making or corporate authority of such individual or entity; or (d) whether such individual or entity could successfully argue that he, she or it is not an “insider” under applicable law, including, without limitation, the Bankruptcy Code, the federal securities laws, or with respect to any theories of liability, or for any other purpose.
- l) Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtor has made every effort to list intellectual property to which it is the rightful owner, however, in some instances intellectual property purportedly owned by the Debtor may, in fact, be owned by an affiliate of the Debtor, or vice versa. Accordingly, the Debtor reserves all of its rights with respect to the legal status of any and all such intellectual property rights.
- m) Materialman’s/Mechanics’ Liens. The inventories, property, and equipment listed in the Schedules and SOFA are presented without consideration of any materialman’s or mechanics’ liens.
- n) Litigation. The Debtor has listed on Schedule F all known claimants related to any pending or threatened litigation action as contingent, disputed, and unliquidated claims.
- o) Recharacterization. Notwithstanding that the Debtor has made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and SOFA, the Debtor nonetheless may have improperly characterized, classified, categorized, or designated certain items. Thus, the Debtor reserves all rights to

recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and SOFA at a later time as is necessary and appropriate as additional information becomes available.

- p) Setoffs. The Debtor routinely is subject to certain setoffs and other similar rights exercised by or with respect to creditors and counterparties in the ordinary course of business. The exercise of such setoffs and other similar rights may (or may not) have been taken into consideration when scheduling certain amounts, and the validity of the aforementioned setoff rights is under investigation. The Debtor reserves the right to challenge such setoff rights and all of its rights to exercise or effectuate (or otherwise with respect to) any of its rights of setoff or recoupment.
- q) Petition Date. Financial information for the Debtor is, unless otherwise noted herein or in the Schedules and SOFA, provided as of the Petition Date of July 10, 2015.
- r) Totals. All totals that are included in the Schedules and SOFA represent totals of all known amounts included in the Debtor's books and records as of the Petition Date. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- s) Undetermined Amounts. The description of an amount as "unknown," "TBD," or "undetermined" is not intended to reflect upon the materiality of such amount.
- t) Settlement of Payments with Affiliates. Prior to the Petition Date, the Debtor and its affiliates from time to time settled their inter-company accounts in a manner that did not involve the transfer of cash, but rather involved bookkeeping transactions.

## 2. Specific Schedules and SOFA Disclosures

- a) Schedule A – Real Property. The Debtor has listed of its interests in real estate, including any interests it has in oil, gas and other mineral leases. The value of these interests is unknown. As noted on Schedule A, certain of the interests have already been assigned to third parties, but the record ownership remains with the Debtor. The Debtor is further investigating its rights in and to any real property, including mineral leases, and will supplement the Schedules if necessary and appropriate to do so.
- b) Schedule B(2) – Checking, savings accounts. The accounts set forth on Schedule B(2) are the "debtor in possession" accounts required by the applicable U.S. Trustee guidelines for chapter 11 debtors in this district.
- c) Schedule B(16) – Account Receivable. Third-party accounts receivable have been listed as assets of the Debtor. In some instances, the Debtor may have lien rights against the property of these account debtors or other various entities to secure the Debtor's claims.

- d) Schedule B(24) – Customers lists and other compilations containing personally identifiable information. The Debtor have listed its customer and investor list, which may have no market value.
- e) Schedule B(25) – Automobiles, trucks, trailers and other vehicles and accessories. The vehicles listed on Schedule B were paid for by the Debtor's affiliated entity, Arabella Exploration, LLC, and have been used for all purposes by that entity. However, the title to these vehicles is in the name of the Debtor. The Debtor is investigating its rights, if any, in or to these vehicles.
- f) Schedule D – Creditors Holding Secured Claims. Certain creditors have asserted certain liens on assets that were previously transferred by the Debtor to third parties. Because the Debtor currently does not believe it has any interest in the assets that are subject to those asserted liens, the Debtor has listed all such creditors as unsecured creditors in Schedule F. The Debtor's investigation into its assets and liabilities is ongoing, and the Debtor reserves all of its rights, including to dispute or challenge the extent, validity, priority, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to or by a creditor listed, as well as its interests in any assets currently or previously owned by the Debtor. The Debtor reserves all rights to dispute or challenge the secured nature of any creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The Debtor has not included on Schedule D any parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights.
- g) Schedule E – Creditors Holding Unsecured Priority Claims. Out of abundance of caution and in an effort to provide notice to all holders of potential priority tax claims, the Debtor has listed all potential holders of priority tax claims on Schedule E. The listing of a taxing authority on a Debtor's Schedule E is not an acknowledgement that such taxing authority holds a valid claim against the Debtor or that a particular tax claim is entitled to priority under 11 U.S.C. § 507(a)(8) or otherwise. The Debtor reserves the right to take the position that the claim listed herein is a Secured claim, an unsecured or a subordinated claim.
- h) Schedule F – Creditors Holding Unsecured Claims. Schedule F lists parties, among others, that have commenced litigation against the Debtor. The amounts for these potential claims are, as appropriate, listed as "unknown" and marked as contingent, unliquidated, and/or disputed in the Schedules and SOFA. The Debtor expressly incorporates by reference into Schedule F all parties to pending and potential litigation, if any, listed in question 4(a) of the SOFA (and otherwise) as contingent, unliquidated, and disputed claims, to the extent not already listed on Schedule F. Schedule F also is intended to reflect the prepetition amounts owed to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assignment of an executory contract or unexpired lease. Schedule F does not include additional rejection damages claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected as

of or after the Petition Date. The claims of creditors for, among other things, merchandise, goods, services, or taxes are listed on the Debtor's books and records and may not reflect credits or allowances due from such creditor. The Debtor reserves all of its rights respecting such credits and allowances. The amounts listed may be exclusive of contingent and unliquidated amounts. The Debtor is lacking addresses for certain of the parties listed on Schedule F. Due to time constraints, the Schedules have been submitted without those addresses. The Debtor reserves the right to supplement to add those addresses to the extent they can be ascertained and it is necessary or appropriate to do so. Finally, Schedule F includes certain amounts purportedly due to certain of the Debtor's working interest owners. Certain of those working interest owners also owe money to the Debtor. The Debtor's obligation to pay any amounts to its working interest owners is contingent on the Debtor's collection of the amounts owed to the Debtor by such working interest owners. The Debtor reserves all of its rights with respect to its working interest owners, including, but not limited to, all rights of setoff, recoupment.

- i) Schedule G – Executory contract and unexpired leases. While every reasonable and good faith effort has been made to ensure the accuracy and completeness of Schedule G, inadvertent errors or omissions may have occurred. Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized in writing and could be subject to dispute. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of its business, such as supplemental agreements, amendments, letter agreements, title agreements and confidentiality agreements. Because of the number of such agreements and the difficulty in assembling a complete list of them given the size, magnitude and diversity of the Debtor's business, all of such agreements may not be set forth on Schedule G. The Debtor reserves all of its rights to dispute or to challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim. In the ordinary course of business, the Debtor may have entered into agreements, written or oral, for the provision of certain services on a month-to-month or at-will basis. Such contracts may not be included on Schedule G. However, the Debtor reserves the right to assert that such agreements constitute executory contracts. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The omission of a contract or agreement on Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease, nor that such omitted contract or agreement was not in effect on the Petition Date or invalid or unenforceable. The Debtor reserves all rights to amend Schedule G to add executory contracts or unexpired leases or to challenge the legal status of any contract or lease, including the characterization of any lease as an unexpired non-residential real property lease, or whether any listed contract, lease, or other

agreement constitutes an executory contract or unexpired lease. Any and all of the Debtor's rights, claims, and causes of action regarding the contracts and agreements listed on Schedule G are hereby reserved and preserved. The Debtor is lacking addresses for certain of the contract counterparties listed on Schedule G. Due to time constraints, the Schedules have been submitted without those addresses. The Debtor reserves the right to supplement to add those addresses to the extent they can be ascertained and it is necessary or appropriate to do so.

- j) Schedule H – Co-Debtors. In the ordinary course of its business, the Debtor is involved in pending or threatened litigation and claims arising out of the conduct of its businesses in which certain of its affiliated entities and other third parties are also defendants. Because such claims are listed elsewhere in the Bankruptcy Materials, they have not been set forth individually on Schedule H.
- k) SOFA Question 1(a) – Income from Employment or Operation of Business. This response includes a listing of “Oil & Gas Production Revenues,” which were received from the Debtor's oil & gas purchasers in connection with the wells previously operated by the Debtor. However, these amounts do not reflect true “income” to the Debtor, since these monies flow through a revenue clearing account in the Debtor's general ledger and are sent out to the various working interest and royalty owners in respect of their proportionate interests in the wells. Additionally, this response includes a listing of “Administrative Overhead Income,” which are charges that were billed through the Debtor's joint interest billings to the various working interest owners. Since many of the Debtor's working interest owners have not paid the amounts they owe to the Debtor, certain of these funds may not actually have been collected.
- l) SOFA Question 3(b) – Payments to Creditors. This response lists payments made by the Debtor to non-insider creditors in the 90-day period prior to the Petition Date and lists for each creditor recipient an “Amount Still Owed.” This amount is not an admission by the Debtor as to the validity, amount or priority of any claim of any of the recipients of payments during the 90-day period prior to the Petition Date. The Debtor reserves the right to dispute all claims on all grounds, including those asserted by the parties listed in this response.
- m) SOFA Question 3(c) – Payment to insiders within one year. All payments of cash to insiders have been reported on SOFA 23.
- n) SOFA Question 4(a) – Suits and Administrative Proceedings. The Debtor has made reasonable and good faith efforts to include in its responses to SOFA Question 4 a complete list of all lawsuits and litigation proceedings to which the Debtor was a party within the one (1) year period immediately preceding the Petition Date. To the extent the Debtor becomes aware that it has omitted any such lawsuits or proceedings, they will amend the SOFA, as may be necessary or appropriate. Certain information regarding the law suits disclosed in response to this question was unavailable to the Debtor. To the extent necessary and

appropriate, the Debtor will supplement the SOFA when and if that information becomes available to the Debtor.

- o) SOFA Question 5 – Repossessions, foreclosures, and returns. In the ordinary course of business, equipment is returned to sellers due to, among other things, defects or receipt of incorrect product. Other than those ordinary course items, the Debtor is not aware of any property that has been returned to the seller. The Debtor is not aware of any property that has been repossessed by a creditor, sold at a foreclosure sale, or transferred through a deed within one year immediately preceding the commencement of the case. The Debtor's investigation into the foregoing is pending, and the Debtor will amend the SOFA, as may be necessary or appropriate, to the extent any items requiring disclosure in respect of this question are discovered.
- p) SOFA Question 9 – Payments Related to Debt Counseling or Bankruptcy. As disclosed in the declaration of Bernard Given in support of the retention of Loeb & Loeb LLP, proposed counsel to the Debtor, \$79,999.96 was paid by or on behalf of the Debtor to Loeb & Loeb LLP in the one-year period prior to the Petition Date. The Debtor believes that the amounts listed in response to this question are equal to portion of the payments related to debt consolidation, relief under the bankruptcy law or preparation of a petition in bankruptcy.
- q) SOFA Question 10 – Transfers. The Debtor believes that the transfers identified in response to this question were made in the ordinary course of business and thus need not have been disclosed in the SOFA. The Debtor has elected to disclose those transfers in the interest of transparency. However, the Debtor reserves all rights with respect to such transfers, the consideration received therefore, and all rights, defenses, causes of action and obligations relating thereto.
- r) SOFA Question 23 – Withdrawals from a partnership or distributions by a corporation within one year. Both questions 3c and 23 in the Statements request information regarding payments to insiders. The Debtor has listed in response to question 23, as applicable, payments consisting of expense reimbursements, wages, bonuses, loan repayments, disbursements, payments of working interest oil and gas revenue, distributions, dividends and other amounts. Amounts disbursed to Mr. Hoisager appear to comprise of a combination of some or all of the foregoing types of payments. A reconciliation of those payments is ongoing.

If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns).

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.
